MABEL'S MANSION™

by Kevin Bagley

THIS ANIMATED ARCADE-ADVENTURE WILL CAPTIVATE YOU FOR MONTHS!

You're Barney, the bellhop. Aunt Mabel, bless her soul, died recently and left you a fortune. However, there's one small problem — she hid all her money and treasure in her ninety-room mansion and left ghostly creatures behind to guard it! Don't be frightened though, she also left some weapons. You see, Aunt Mabel was a little crazy. She wanted you to EARN your inheritance. And if you can solve her tricks and puzzles successfully, collect ALL the money and clear ALL ninety rooms of ghosts, you will have earned every penny. So take a deep breath — and get ready for a real-time animated adventure in the tradition of Aztec™. Who knows, you might even meet Mabel!
